

DOLPHIN

TECH

THANK YOU for choosing IST technical diving BCD component. Only materials best suited to diving conditions were used to make this vital piece of equipment and it was designed and made according to the highest standard in diving equipment manufacturing so you can have reliable service from it for years to come.

GENERAL WARNINGS AND CAUTIONS

Please read and thoroughly understand the content of this owner's manual in its entirety. If there is anything not clear on how this product functions, for your safety sake, do not use it and please contact an authorised IST dealer for assistance.

Improper use or intentional misuse of this product may cause serious injury.

Do not modify any component on this product as it will render the warranty void and it may not function properly and safely.

PRODUCT DESCRIPTION AND ASSEMBLY METHOD

This handle provides convenience in getting the BCD to and from a dive site or when connecting the BCD to a scuba tank.

- 1) The handle is to be connected to the BCD's back plate with back plate pouch hardware.

TECHNICAL DIVING COMPONENT

TECHNICAL BCD HANDLE (Item no.: HD-30H)

WARRANTY

Any modification to this BCD component may irreparably damage it and will render its warranty void and can lead to unsafe diving.

- 2) Sandwich the handle's grommet between the screw + washer and the back plate pouch + back plate + nut (in this order). Use a Philips screwdriver to fully tighten the screw.

MAINTENANCE AND STORAGE

- Do not drag this component across sharp or coarse surface.
- Do not place any sharp and / or heavy object on any part of this component.
- Do not expose it to the sun while not diving.
- Immediately after a dive, rinse this component with fresh water as soon as possible. Air dry (in the shade) **completely** before putting it away.
- Store in a cool, shaded place.

The warranty of this technical BCD component is valid to the original owner only (with proof of purchase) AND it covers any defects in materials and / or workmanship for the period of 2 years from the date of purchase. Proper maintenance as prescribed in this manual is required to uphold the warranty during the valid coverage. Any wear and tear under normal usage, as well as any commercial / rental usage, are not covered by this warranty. The following action will also void the warranty: any incorrect use or misuse – intentional or unintentional or any modification of this BCD component.

If a problem has developed with this product, please contact your nearest IST authorised dealer or IST distributor for return authorisation. Please properly package this product and send with your proof of purchase and postage prepaid. We reserve the right to service any non-authorized returns.
